**Old Business**

Heidi Becker reported on BIFAS, which was last month in the school gym. The event raised \$14,100.34. This was \$3000.00 more than last year. Becker reported that it was successful due to a large number of volunteers that worked together to make it happen. She introduced the chair for next year is Kim Cook.

Recap discussion included a possible change of event order for next year to keep people in the gym while volunteers tally final silent auction results. There was difficulty hearing the MC in the gym, she did a great job keeping the groups moving and introduced. People were looking for a PPA membership table make a donation. The food court worked well with all donated food items and the free will donations totaled \$1215.

Suzie Coleman Java and Jazz was held December 3<sup>rd</sup>. The evening included coffee, desserts and a good concert. The event raised \$550. She mentioned challenges with the date following Thanksgiving break. The event is done in cooperation with Coe College and shares the expense of the guest musician, reported by Jim Miller. Mt. Vernon Road HyVee donated the coffee for this. We will need a chairperson for event in 2014.

**New Business**

Sherry Sealy chairperson of MoShow told the meeting attendees about a potential fundraiser for the PPA. A Spirit Button machine has been ordered that will make coin sized buttons to be sold at PPA events. This idea was very successful at show choir events last year. The PPA will pay for the button machine and it will be used at PPA events. The machine will arrive soon and buttons will be for sale at Cocoa and Carols 12/14/13.

Bill Lammers updated us on upcoming facilities improvements in Washington HS. The facilities work will affect building use and scheduling in the upcoming school year.

Sound Board and Microphone purchase discussion continued from the November meeting. The current system is approximately seventeen years old and in poor condition. This system is used for many uses throughout the school. A motion was made and passed to purchase the system now. The cost will be \$5000.00.

An upcoming area of concern is the condition of the current Marching Band trailer used by many WHS groups.

Mo Show will be held March 15, 2014. Sherry Sealy is the chairperson of this. She reported that many of the volunteers from last year are returning to their roles this year. She is in need of a coordinator for program advertising sales. Lori Shah has contacted Dina Linge, about this volunteer position.
