

## **Washington High School PPA Meeting Minutes 2/2/17**

Minutes from the January 2017 meeting were reviewed and approved.

Treasurer's Report: Things are starting to gear up for Mo Show and State Speech, preparations for these fundraising activities. Starting to receive invoices and statements from both events.

Membership: Marcy reported total of \$23,389, which includes \$3000 in matching contributions. Last year was \$19,945. 116 memberships, last year was 117.

Program: Bill Lammers provided information regarding the Theater Tech program at Wash. This support team provides an opportunity for "behind the scenes" work for students interested in theater, but are not interested in performance. Students earn their black shirts by being involved in productions and assemblies, etc. and wear them proudly! This group provides much needed services and supports productions, MoShow, and assemblies as well.

State Speech: State Speech is this weekend, February 4. Preparations are well under way, making final arrangements for the event. We still need volunteers to make this event successful! Please encourage volunteers to sign up or volunteer for food.

Mo Show: Mo is the following weekend, February 11. This event is also in need of volunteers to make it a success-and we will need to have full complement of volunteers and food for this event as well. Also making final arrangements for this event as well.

There is a large effort underway for both of these events, with the possibility of a huge amount of fundraising benefit for our organization between the two events. Let's ensure that both events are a huge success!

Respectfully Submitted,

Vannessia Klinsky, Secretary
