Cedar Rapids Municipal Band has requested to use our truck to move the trailer with the bandshell. All of the travel is within the city limits, except for one trip to West Branch. Washington High School gets recognized for the use of their truck to move the trailer at each concert. Bubba drives the truck for the Municipal band. Approved/ok to use.

Next year's officers: We are in need of a treasurer and a secretary for next year. Both are 1 year commitments, and both Vannessia Klinsky and Teresa Wake are willing to assist. If interested, contact Mindy, Vannessia, Teresa.

We are also needing a MoShow chair for next year-if interested, let Mindy know.

All City Music Contest: Jim Miller made Mindy aware that Washington is hosting the All City Solo and Ensemble Contest on April 1. We will need a large number of volunteers, approximately 20/shift, 4 shifts. Will need food/cafeteria, judges lunch. Heidi Becker coordinated last time, we will get more information regarding how to set up and organize.

PPA was made aware of some issues with cash boxes missing in concession stand; Teresa Wake will investigate further; feels they may have been misplaced. If not found, will work with the concessions volunteers to replace.
