

“Keys to the Future”

A Fund Drive for Our New Steinway Grand Piano supporting the Washington High School Performing Arts

Washington High School recently completed substantial upgrades in professional theatrical lighting and sound. Both performance venues have also been upgraded with new seating and flooring and look beautiful.

There’s one missing piece. Currently, all performances are accompanied by an upright piano which is used daily in the classroom. The exceptional fine arts department deserves quality instruments to enhance the musical achievement and showcase the student talents at Cedar Rapids Washington High School.

Premier Piano Restorations will be contracted to complete the Steinway 7” Grand Piano. The restored Steinway will be used by all performing arts ensembles at Washington High School. Restoration cost is substantially less than replacement- a complete restoration of a grand piano can be one third to one half the cost of a new instrument.

You’re invited to help us build our....

Keys to the Future

Donor Name (Please Print): _____

Name as you would like it to appear on the recognition plaque: _____
