

Mike “Bubba” Sinnott

Inducted into the *Hall of Fame* in 2020

Mike “Bubba” Sinnott, Class of 1998, was born and raised in Cedar Rapids, where he still lives. At WHS, Bubba participated in Marching Band, Concert Band, Wind Symphony, Show Choir Band, Baseball, and Men’s Swimming.

Bubba attended Kirkwood Community College, then began his professional career at Menards, LMC Pipefitters, JDR, and Oltmann Construction. Since 2006, Bubba has worked at Hy-Vee on Mount Vernon Road.

Three months after his graduation, in August 1998, Bubba started driving the Warrior Wagon, as some have called it, and has been at the wheel ever since for countless band, orchestra, and choir events.

In attendance at every home football game, both regular season and playoff, since 1992, Bubba’s travels with the Warrior Wagon have taken him all across Iowa, along with countless trips to Kingston Stadium. Road trips included stops in Wisconsin, Nebraska, Florida, New York, and Washington DC. Starting in 2016, Bubba began driving for the Cedar Rapids Municipal Band.

“Service to the Washington PPA continues to be one of life’s pleasures,” he says. “I am just doing my part so all the students can do their best and experience success.”
