Complete Our Online Sponsorship Form

In-kind gifts matter too. Uniforms, sheet music, set materials, and travel support help students learn, create, and grow. Together we can nurture the creativity, confidence, and talent of our students for years to come. Thank you for considering a gift beyond the sponsorship levels above.

Patrons of the Performing Arts (PPA) is a 501(c)3 nonprofit supporting high school band, choir, dance, drama, orchestra, speech and technical theater. Founded in 1983, PPA donates upwards of \$150,000 each year to support the fine arts programs at WHS. They provide uniforms, music, cover travel expenses, sets for plays, fees for competitions and much more. PPA also focuses on special projects to improve and replace outdated equipment at WHS. In recent years they have purchased a Steinway piano, replaced seating in Little Theater, updated theatrical lighting in the Auditorium, replaced choral risers, repaired and wrapped the truck and trailer, and are in the process of raising funds for drumline equipment. Volunteers plan, organize and host all of the performing arts events. These events give students incredible opportunities to share their talents and grow their skill sets.
